Street Wardens

The street wardens are a vital part of our service to you. They are there to help you by:

- Providing you with information or pointing you in the right direction;
- Arranging for you to join in one of our various functions or events;
- Just being a friendly face and someone you can talk to.

Your street warden is your first, and most important point of contact with Purton and District Age Concern. If you don't know who your street warden is, just give us a call and we'll put you in touch.

2

Minibuses

We run a minibus service that can provide you with low-cost transport to a number of different functions or places, such as:

- Local Lunch Club

If you would like more information on the minibuses and how they can help you to get to where you're going, just contact the minibus team. Their details are shown on the back page.
